

Listing ID: 35

Company Name: Tower Credit Managment Ltd

Description: One in four business failures are a direct result of cash flow problems, either non payment of invoices or late payment, not only is this unethical it promotes poor relationships between yourselves and your client. Many businesses must extend credit to survive and this is perfectly healthy, however there is a fine line between caution and recklessness. Tower Credit Management offer a personal service, we respond to every call promptly, professionally and personally, no call centre or automated response as we know that goodwill between your clients and yourselves is paramount. Your clients are your business and in some cases they could be experiencing short term difficulties which could lead to strained business relationships, in such cases we personally discuss their situation and come to an agreement that is beneficial to both parties ensuring continued business growth. We also offer a permanent credit control facility with guaranteed results.
